Non-Citizen women include those who are not legally admitted for permanent residence, lack temporary residence status, are not lawfully present in the United States

according to the provisions of the Immigration Act, or are lawful non-citizen permanent residents. Citizenship status is determined from Medicaid eligibility records.

Qualified aliens who have resided in the U.S. for 5 years or more are eligible for regular Medicaid coverage, if otherwise eligible.

**Race/ethnicity numbers and percents are not presented because of the small number of women. In these cases, the numbers are included in the other/unknown category.
